Beacons Solex LED - Overview & technical specifications

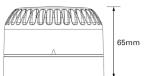

Solex LED industrial beacon is a flexible, multifunction evolution of Eaton's proven Solex xenon beacon, certified to IK08 and IP65, and with enhanced EMC compliance. Extended duration line controlled single, double and triple flash options – plus a unique 'pulse' – allow optimal alerting. With a class leading 5 Year Warranty, impact-resistant polycarbonate lens, and rated for continuous-use, it offers years of dependable sustainable service.

Ideal for both heavy industrial environments, such as aggregate production, and light manufacturing facilities, the Solex LED modular design can be used in diverse applications that, for example, require traffic light style signalling and, when used on a double, triple or quadruple base can incorporate the RoLP sounder as an additional means of notification.

Features and benefits

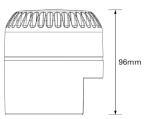

- Rated for continuous use therefore suitable for 24/7 signalling operation
- IK08 impact rating, IP65 ingress protection for install in harsh environments.
- Multi-function flash including pulse (1Hz, 2Hz, On, Double flash, Triple flash, Pulse)
- Choice of colour lenses (Red, Amber, Green, Blue, Clear) for precise visual signalling.
- 9-60 V DC / 24V AC / 110-240V AC 110mA @ 24V DC
- EMC light industrial & heavy industrial. Suitable for DC distribution networks.
- Modular beacon compatible with other bases in the Eaton Roshni range

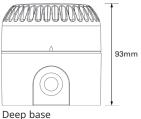

Shallow base

Technical specification

Model:	Solex LED		
Supply voltage	9-60V DC	24V AC	110-240V AC
Current	110 mA (@ 24 V DC) +/- 10%		
Operating temperature	-25°C ~ +55°C	-25°C ~ +55°C	-25°C ~ +55°C
Cable size / type	0.75 to 2.5mm ²		
IK rating	IK08		
IP rating	IP21C / IP65		
Flash rate	1Hz Flash (60 FPM), 2Hz Flash (120 FPM) Constantly On, 1Hz Double Flash 1Hz Triple Flash, 1Hz Pulse Note: If 24V AC is used, only the 1Hz flash is available		
Maximum effective luminous intensity (leff)	*White flash 40cd *Red flash 7cd		
Monitoring	Anti-tamper trigger		
Construction	PC lens / ABS FR housing		
Lens colours	Red / Clear / Amber / Green / Blue		
Weight	0.1kg		

U - base

*Candela - On 1Hz flash setting
